Nigerian English, also known as Nigerian Standard English, is a dialect of English spoken in Nigeria. It is based on British English, but in recent years, because of influence from the United States of America, some words of American English origin have made it into Nigerian English. [which?] Additionally, some new words and collocations have emerged from the language, which come from the need ...

Nigerian Pidgin is an English-based pidgin and creole language spoken as a lingua franca across Nigeria. The language is commonly referred to as "Pidgin" or Broken (pronounced "Brokin"). It is distinguished from other creole languages since most speakers are not true native speakers although many children learn it at an early age. It can be spoken as a pidgin, a creole, or a decreolised acrolect ...
