

business studies level 1 pdf

Business Studies is an academic subject taught in schools and at university level in many countries. Its study combines elements of accountancy, finance, marketing, organizational studies and economics. Business Studies is a broad subject in the Social Sciences, allowing the in-depth study of a range of specialties such as accountancy, finance, organisation, human resources management and ...

Business studies - Wikipedia

Multi-level marketing (MLM) also called pyramid selling, network marketing, and referral marketing, is a marketing strategy for the sale of products or services where the revenue of the MLM company is derived from a non-salaried workforce selling the company's products/services, while the earnings of the participants are derived from a pyramid-shaped or binary compensation commission system.

Multi-level marketing - Wikipedia

Students who are looking forward to make their career in Business should take business studies very seriously, as when you will go for further studies, this subject will always be in the top priority list of yours.
